## New Patient Pelvic Organ Prolapse/Urinary Incontinence Sexual Function Questionnaire

Instructions: Following are a list of questions about you and your partner's sex life. All information is strictly confidential. Your confidential answers will be used only to help doctors understand what is important to patients about their sex lives. Please check the box that best answers the question for you. While answering the questions, consider your sexuality over the past six months. Thank you for your help.

Sexually not active (Please do not fill out the rest of the form)

1. How frequently do you feel sexual desire? This feeling may include wanting to have sex, planning to have sex feeling frustrated due to lack of sex, etc.
